

## Weight Loss Challenge Testimonial

**Name:** Lamont G.  
**From:** Bowling Green.

**Why I joined the Weight Loss Challenge:** A little birdie told me that I could lose weight and win money. CLEARLY I was sold on that idea. I am a 22 year old college student and I have struggled with my weight since the day I was born! I use to weigh over 325 pounds and that was definitely not cool.

**How my life has changed:** Being introduced to the Herbalife Products was truly a blessing. I received incredible amounts of energy the first day! I was FINALLY able to lose over 115 pounds and WOW I feel amazing. I gained all the confidence in the world and my self-esteem is through the roof. I am a Herbalife fanatic and will take these products for the rest of my life! Believe that!

**My Favorite Herbalife product:**

Any product with the name HERBALIFE on it is truly my favorite!!! But if I had to choose, it would be Formula 1 Nutritional Masterpiece (shakes), along with Cell-u-loss and Aminogen. These products have really helped me to lose the inches like crazy and build lean muscle mass.

**How my coach helped me:** Terence and Sheryl L. took me under their wings. They were with me every step of the way. I am truly grateful for them. I wouldn't be where I am today if they didn't care for me and support me like they did. I consider them apart of my family now because they mean so much to me. I love them!
