Name: Roger and Judy **From:** Pewamo, Mi

Why we joined the Weight Loss Challenge:

Because we went to Dollywood for a family vacation and wanted to ride a water ride, we were over our weight limit as a family so our daughter had to ride with another family. We knew then that we had to change.

How our life has changed:

Roger has lost 115 lbs. along with his blood pressure medicine. And **Judy** has lost 70 lbs. has more energy and no longer has a hard time staying awake. The best part is I went from a size 20 to a 10!!

Our Favorite Herbalife product:

Roger says the wildberry shake, because I can change it up all the time! **Judy** says the citrus lemon bars!
